L. E. ARCHIAS & BRO.'S Wholesale Trade Price List

OF TESTED NORTHERN-GROWN SEEDS.

113 MAIN STREET, = CARTHAGE, MISSOURI.

Growers, Importers and Jobbers in

SEEDS, BULBS, PLANTS,

FLOWER POTS, VASES, WIRE GOODS, ETC.

We take Pleasure in calling your attention to the very low prices we are enabled to give to our large list of **Wholesale Customers**, from the fact that most of our **Seed Crops** grown in 1897 are unusually fine and of best quality. We suggest, however, that orders be sent to us as soon as convenient, as some price offered cannot remain so low. **We sell half bu. at bu., half pk. at pk., half lb at lb rates.** TWO BU. Sealeless Bags at 14c each extra.

TERMS: All accounts for VEGETABLE or FLOWER SEEDS are due June 1. GRASS and FIELD SEEDS are NET CASH—NO DISCOUNT. SATISFACTORY REFERENCE REQUIRED from parties unknown to us.

Commission Seeds: We do not sell seeds on commission at the very low prices we ask. Dealers who order carefully, make a better profit, and give better satisfaction to their customers, than commission seed will.

Note: Prices quoted are for the finest quality of Seeds. All Common Stock is excluded. For descriptions see our Illustrated Catalogue for 1898.
